

Construction Notice - Capital Line South LRT

Traffic Lane Adjustments at 23 Avenue and 111 Street

EPCOR Water will be adjusting traffic lanes to the north, south, east and west of the 23 Avenue and 111 Street intersection beginning on/around July 15 until mid-August. The Century Park Transit Centre “Kiss and Ride” will also be temporarily relocated further south (image below). The traffic lane adjustments will provide crews with space to perform utility relocations essential to the Capital Line South LRT extension. The City of Edmonton makes every effort to reduce the impact to the public.

What to expect:

- EPCOR Water will be adjusting traffic lanes to the north, south, east and west of the 23 Avenue and 111 Street intersection starting on/around July 15 until mid-August.
- The Century Park Transit Centre “Kiss and Ride” will be temporarily relocated further south (image below).
- These adjustments will provide crews with space to perform utility relocations.
- We ask that motorists drive with extra caution through the area.
- The City of Edmonton makes every effort to reduce the impact to the public.
