Construction Notice - Overnight Noise and Median Removal

Starting on/around May 1, early works construction crews will begin working **overnight** at the 23 Avenue and 111 Street intersection. Overnight work will occur until approximately the end of June. Crews will be digging and removing dirt at the northeast corner of the intersection. This work is to prepare the area for future tunnelling for the LRT underpass that will be built under 23 Avenue as part of the Capital Line South LRT extension.

What to expect:

- Starting on/around May 1, crews will begin overnight work at the 23 Avenue and 111 Street intersection.
- Overnight work is anticipated to last until the end of June.
- The work will include digging and removing dirt at the northeast corner of this intersection.
- The current pedestrian detour at the northeast corner will remain in place.
- Expect noise, construction equipment and workers in the area.
- Early works construction will continue at/near this intersection throughout 2023.
- Access to ETS bus stops near this intersection will be maintained.
- Every effort will be made to reduce the impact to the public.

Median Removal Near 23 Avenue and 111 Street

In early May, crews will begin removing medians at/near the 23 Avenue and 111 Street intersection. This work is anticipated to take approximately 3-4 weeks, and will result in single-lane closures as each median is removed. Removing the medians (see map below) will help improve traffic flow and reduce traffic congestion, as more early works construction happens this year at this intersection.

What to expect:

- Starting in early May, crews will begin removing medians at/near the 23 Avenue and 111 Street intersection.
- The work is anticipated to take 3-4 weeks, and will occur during daytime business hours.
- Single-lane closures will occur during “off-peak” traffic hours as each median is removed.
- Expect noise, construction equipment and workers in the area.
- On the map below, the medians in “red” (North, South, East and West) will be removed.
