## PRESIDENT'S MESSAGE:

Dear Ermineskin and Steinhauer Community Residences,  
A few thoughts to start 2022:

- A sincere note of appreciation to Piet den Besten for facing three weeks of -40 temperatures to get our two skating rinks open for use.
- The South West Area Council of community leagues has started laying cross country ski tracks throughout our area. Go to [skilocal.ca](http://skilocal.ca) for a map of trails.
- The Community League Hall is slowly welcoming our regular users back with the Risen Lord Lutheran Church, Scouts and Pathfinders meeting regularly and following all AHS Protocols. We look forward to the eventual return of yoga, Intellidance and exercise classes.
- A shout out to EPCOR for opening and shoveling the new footpath from 31 Ave to Steinhauer School and thanks to the community for respecting the fencing and not sledding in the newly landscaped drainage area. The old sledding hill is still open and ready for use.
- The Community League and the City of Edmonton are working through the development and permitting process to remove the old rink shack and replace it with a custom built "Atco" style trailer. We hope that 2022 will be the year we have a new rink shack.
- The City of Edmonton has a policy that a small percentage of the capital costs of any new construction be contributed to a public amenity. Working with then Councillor Michael Walters, the City of Edmonton, the Community League and Procurra, the developers of Century Park, signed a Good Neighbour Agreement. As part of that agreement Century Park will be making financial contributions to amenities that are mutually agreed upon between the City and League. The first contribution from Century Park, of \$22,000, will be used to offset the costs of removing and purchasing the old rink shack.

As a Board we look forward to seeing you again in person once we can gather in larger groups.

Respectfully submitted  
Kent McMullin  
President
